

**Manufacturer and Exporter of
Pulp and Paper Machinery**

**Our main activities are
Designing and Manufacturing
of Pulp and paper Mill
machinery and its parts to
cater Domestic and Overseas
market need.**

ABOUT US

JMC PAPERTECH PVT LTD is an ISO 9001:2015 certified manufacturer cum Exporter of Pulp & Paper mill plant & machinery. Our factory is located at well- established prime location (most preferred by Leading MNCs and Domestic Corporate Giant Groups) An Industrial Area at G.I.D.C., SANAND-II, Dist. – Ahmedabad, Gujarat, India

JMC group is promoted by a group of experienced industrialists and Technocrats with a successful track record and reputation for the past 19 years. The company was incorporated as a partnership firm in 2002 to set up a most advanced composite engineering unit complete with sophisticated equipment. With the use of state-of-the-art technology, the manufacturing and fabrication of heavy precision machinery for paper plants gives JMC a competitive edge in the age of globalization.

FACILITIES

JMC's engineering team consists of highly qualified technical personnel with a long history of varied experience in leading paper machine manufacturers throughout Indian and Abroad. The team represents rich skills in processing, mechanical, and instrumental disciplines.

Our engineering infrastructure includes Computer Aided Design & Drafting workstation and in-house developed software for generating flow sheets, manufacturing drawing, P & I diagrams & Bills of Materials with speed and accuracy.

Engineering capabilities range from preparation of layout drawings for agro based Pulp Mill including: raw materials, cooking section, washing and screening section, multistage bleaching section and chemical recovery, stock preparation, and approach flow systems, vacuum system, material balancing, detailed flow sheets of paper machine, piping layouts/plans, foundation plans, instrumentation loop and logic diagrams, pumps and valve list, hydraulic and pneumatic control circuit diagrams, drive layout/schedule and documentation.

OUR ACTIVITIES

JMC started its first manufacturing facility in the era of 20th century by Renowned Fabrication Engineer and professional industrialist, **Mr. Rajni A. Patel (Founder & CMD)**. JMC specializes in Design, Development, and Manufacture & Installation of Pulp & Paper Plant up to 500 TPD production on Turnkey basis.

500 TPD production on Turnkey basis.

JMC is a pioneer which specializes in 2/3/4/Multi-Fourdrinier Technology with Top Dewatering Unit. Our customer is at the core of JMC's business philosophy, all our resources are focused on adding value for our customers through our total systems capability.

- Heavy Fabrication (Specialized Heavy Press & Bending Work)
- Manufacturing & Maintenance of Paper Plant & Machinery.
- Erection & Commissioning of Plant & Machinery.
- Dismantling, Overhauling, re-erection & Commissioning of plant.
- Finance planning & arrangement of finance through financial institute or bank.
- Management systems & man power training, improving the ongoing plant performance.

Our expertise lies in applying state-of-the-art technology to provide cost effective custom-designed solutions to suit the varied needs of our valued customers.

JMC Paper Tech undertakes design, manufacturing, supply, erection, and commissioning of new pulp mill & paper machines and also the modernization of existing pulp mill and paper machines. JMC has the necessary capabilities in project engineering, design, manufacturing, and project management to take up assignments on a turnkey basis.

MANAGEMENT TEAM

MR. RAJNI PATEL
CHAIRMAN & MANAGING DIRECTOR

A Diploma Holder in Fabrication Technology, Mr. Patel specializes in the management of labor relations, with more than 21 years of experience leading the company. Mr. Patel's expertise ranges from handling production, purchasing, and operational matters within the company. He is also a member of the American Welding Society (U.S.A).

MRS. BINA R. PATEL
DIRECTOR- ADMINISTRATION

A Science Graduate, Mrs. Patel handles the purchasing of raw materials and managing of office administration. With special skills in communication, she plays a key role in fostering and balancing the relationship between management and employees.

MR. MAYANK SUTHAR
EXECUTIVE DIRECTOR

A Diploma Holder in Mechanical Engineering from SIR BPTI, Bhavnagar, Mr. Suthar has working experience of 26 years within the field of paper mill machinery. He is highly experienced in handling of production, building customer relations, and many other factory related matters.

MR. JIGNESH J. PATEL
DIRECTOR- PROCUREMENT

A Science Graduate, he looks after the Account & Purchase Department, He is also involved in managing administration and handling export related matters, with special skills in building and maintaining employee-client relations.

MR. NIPAM THAKKAR
CHIEF FINANCE OFFICER

A Commerce Graduate, he has over 26 years of experience in accounting, banking, legal, and export related matters.

MR. MILIND SUTHAR
DIRECTOR- SALES & BUSINESS DEVELOPMENT

A Graduate Mechanical Engineer, he is in charge of establishing and handling new inquiries and related matters. He plays a key role in outlining cost estimation, sales management, and other factory related matters.

TECHNICAL BOARD

MR. SANJIV SRIVASTAVA
TECHNICAL DIRECTOR

A Graduate paper maker by profession, Mr. Srivastava is a full time Technical Director for the company with more than 41 years of experience in Paper & Paper Machinery Manufacturing. He plays a key role in project designing and product development of all plants supplied by JMC.

MR. CHINTAN J. PATEL
DIRECTOR-OPERATIONS

A Diploma Holder in Welding & Fabrication Technology from SIR BPTI, Bhavnagar, he has working experience of 16 years in the field of paper mill machinery. He is involved with handling of production, design, and all related matters.

MR. P.A. SUBBURATHINAM

A Graduate in Mechanical Engineering, he is our resident executive for the southern India region. He is involved in commissioning projects as well as assembly of projects, with over 31 years of experience within the field.

SHOP FLOOR TEAM

MR. AMRISH PATEL
CHIEF MANAGER- PRODUCTION

A Diploma Holder, with more than 28 years of experience in production, he takes part in the engineering, design, and development of various projects.

DIVYESH PATEL
SR. DESIGN ENGINEER

A Diploma Holder in Mechanical Engineering with working experience of 11 years in paper mill machinery design and planning. He is the current Senior Design Engineer, as of last 4 years, and is responsible for overseeing tasks ranging from general assembly to detailing of drawings.

MS. KOMAL MANDANI
MANAGER-SUPPLY & PROCUREMENT

A Master of Commerce, Ms. Mandani has 8 years of working experience in building customer relationships. She has been the manager of Supply and Procurement for the past 4 years, handling company-vendor relations.

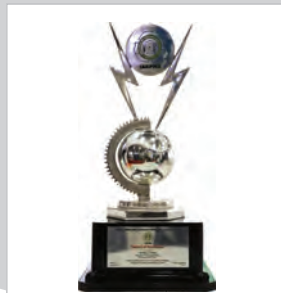

MR. CHIRAG PATEL
ENGINEER-PLANNING

A Diploma Holder in Mechanical Engineering, with more than 11 years of experience in Design and Production planning. As the head of Production Planning, he handles the company's internal system, ranging from procurement to assembly.

AWARDS & CERTIFICATES

Award of Excellence
Indian Agro and Recycled
Paper mills Association

**Great Achiever of Industrial
Excellence Award 2005**
Indian Org. for Comm. & Inds.

**Glory of India
International award**

**Associate Gold Partner
Paperex 2017**

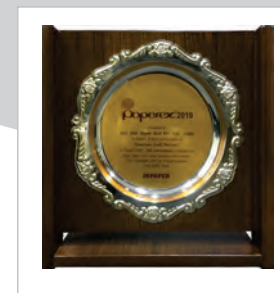

**First Prize
in Best Stall Category**
Indian Paper 2006

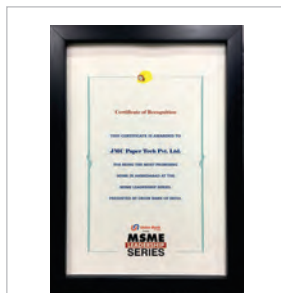

Participant
4th PaperTech Expo 2019
(ICCB)

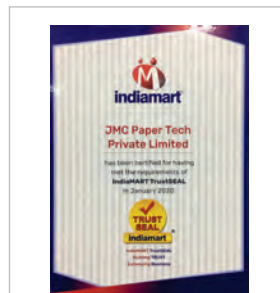

Participant
2nd PaperTech Expo 2017
(ICCB)

**Associate Gold Partner
Paperex 2019**

**Most Promising MSME in
Ahmedabad**
MSME Leadership Series

**TrustSeal
IndiaMart**

Quality Policy

ISO 9001:2015 Certification
UKAS Management System

**In Recognition of Excellence
Design & Concept-National Sector**

01 No.

Herewith, below listed equipment & machines we have installed in our workshop.

SR.	MACHINERY	SIZE	QTY
01	CNC Lathe Machine	10 mtr. Length x 1.2 mtr. Dia	01 Nos.
02	CNC Horizontal Milling & Boring Machine	8 mtr. Length x 2.4 mtr. Width	01 Nos.
03	CNC Plasma cutting Machine with Flame cutting	Suitable of plate size 2500 x 6300 mm, Plasma Cutting up to 16 mm thk. of SS/MS, Gas Cutting of MS up to 200 mm	02 No.
04	CNC Lathe Machine	300 mm x 700 mm	01 No.
05	VMC Machine	4100 mm x 2700 mm	01 No.
		3000 mm x 2000 mm	01 No.
		1300 mm x 500 mm x 650 mm	01 No.
		1000 mm x 500 mm x 500 mm	01 No.
		900 mm x 900 mm	01 No.
06	Heavy Duty Lathe Machine	36" x 38" x 30 ft. Long	03 No.
		30"x 32" x 30 ft. Long, with Taper Turning attachment	01 No.
07	Lathe Machine	18" x 20" x 10 ft. Long	01 No.
		12" x 15" x 10 ft. Long	01 No.
		12" x 14" x 20 ft. Long	01 No.
		12" x 14" x 10 ft. Long	01 No.
		6" x 550 mm Long (C/C)	01 No.

SR.	MACHINERY	SIZE	QTY
08	Roll Turning Lathe Machine	24" x 26" x 24 ft. long	01 No.
		15" x 18" x 30 ft. long	02 Nos.
		15" x 18" x 22.5 ft. long	01 No.
		12" x 15" x 20 ft. long	02 Nos.
		12" x 18" x 30 ft. long	01 No.
09	Radial Drill Machine	2" capacity	02 Nos.
		1½" capacity	01 No.
		½" capacity	01 No.
		40 mm capacity	02 Nos.
10	Shaping Machine	32 mm Stroke Length	02 Nos.
11	Plano Miller Machine	1 mtr. Width x 5.1 mtr. Length With side milling & boring head	01 No.
		1.6 mtr. Width x 8 mtr. Length With side milling & boring head	01 No.
		1.8 mtr. Width x 6.0 mtr. Length	01 No.
		2.0 mtr. Width x 4.0 mtr. Length	01 No.
		1.6 mtr. Width x 3.0 mtr. Length	01 No.
		1.5 mtr. Width x 3.0 mtr. Length	02 Nos.
		1.8 mtr. Width x 4.0 mtr. Length	01 No.
		1.5 mtr. Width x 3.0 mtr. Length	01 No.
		1.2 mtr. Width x 4.4 mtr. Length	01 No.
		12	Boring Machine
Spindle dia. 100 mm with DRO	01 No.		
Spindle dia. 100 mm	03 Nos.		
Spindle dia. 80 mm	02 Nos.		
13	Heavy Duty Bending Machine	5.2 mtr. Width x 80 mm thk. (Max 115 mm, when Width is 2 mtr. & Dia. above 3 mtr.)	01 No.
14	Bending Machine	2.5 mtr. width x 12 mm thk.	01 No.
15	Hydraulic Press	2500 MT capacity (With internal span of 6 mtr.)	01 No.
16	Welding Transformer	400 Amp	09 Nos.
		600 Amp	06 Nos.
17	DC Arc welding Rectifier	600 Amp	06 Nos.
		400 Amp	09 Nos.
18	Inverter	400 Amp	09 Nos.
19	Painting Booth (with oven)	With approx. 6 mtr. X 3 mtr. wide Chamber	01 Unit
20	Dynamic Balancing Machine	2 mtr. Dia. X 7 mtr. long (Expandable)	01 No.

Herewith listed types of welding procedure are being done in our workshop.

SR.	WELDING PROCEDURE	DESCRIPTION
01	SMAW	Shielded Metal Arc Welding
02	MIGW	Metal Inert Gas Welding
03	TIGW	Tungsten Inert Gas Welding
